

# ARMORGUARD THERMAL BARRIER

**INSULATION & COMFORT CONTROL**

ANOTHER STANDARD PRODUCT EXCLUSIVELY OFFERED BY THE INDUSTRY LEADER!

## COMFORT CONTROL

Armorguard's Thermal Barrier keeps heat where you want it year-round, trimming energy use for consistent comfort and lower energy bills.

*COOLER WHEN HOT*

*WARMER WHEN COLD*

**FACING**

**85%**  
INTERIOR LIGHT REFLECTION  
**+ PUNCTURE RESISTANT**

**BATTING**

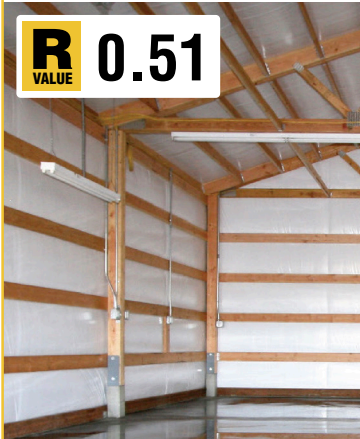

**86%**  
REDUCTION IN HEAT TRANSFER  
**70%**  
REDUCTION IN AIRBORNE NOISE

## Side-by-Side Results Speak for Themselves

Higher R-values mean better insulation, which can lead to lower energy costs and stronger long-term performance.
